As mentioned in the "Schedule a Session" tab on the www.payitforwardhypnosis.com website, please be sure to review the "Vlog & FAQs" tab prior to your first session. The FAQ section addresses questions that you may have and also provides guidance regarding expectations.

___ Please initial here to confirm that you read and understand the information provided on the "Vlog & FAQs" tab of the www.payitforwardhypnosis.com website.

___ Please initial here to confirm that you read and understand the information provided on the "Schedule a Session" tab of the www.payitforwardhypnosis.com website.

I, _____, understand that the likelihood of having successful sessions and that the results of my sessions are dependent upon my ability to focus as well as my belief in the process. I understand that Pay It Forward Hypnosis, LLC offers no guarantee of success since each client is different. I am aware, however, that my practitioner is open to hearing my feedback and is trained to utilize a variety of approaches to find the one that suits me best. I also understand that I have other choices from which to seek assistance regarding my specific issues, and I have chosen hypnosis at this time.

I understand that Pay It Forward Hypnosis, LLC recommends and allows for the client's use of a recording device for the purposes of documenting the hypnosis session, and that it is solely the client's responsibility to provide and administer the recording device that the client chooses to use during the session. I also understand that Pay It Forward Hypnosis, LLC will provide a backup recording, but the primary recording device is to be the client's.

____ Please initial here to confirm that you read, understand, and agree to the rates presented on the “Schedule a Session” tab of the www.payitforwardhypnosis.com website.

I, _____, understand that the rates listed (and agreed upon above) are to be paid to Pay It Forward Hypnosis, LLC in full at the time of scheduling the session.

I understand that payments should be made via the www.payitforwardhypnosis.com/payment.php webpage and that cash and personal checks are generally not accepted. I understand that additional payment may be made via cash in the event that the session goes beyond its scheduled length. In the rare event that a personal check must be used, the check is to be made out to: Pay It Forward Hypnosis, LLC. I understand that a \$35 fee will be assessed for any returned check.

I also understand that there will be no refund once service has been provided and that payment is not dependent upon results since results vary and are not guaranteed.

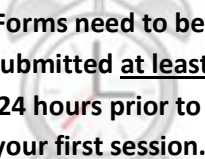

I understand that the time for my session has been reserved exclusively for me and that there may be appointments reserved for others before and/or after my reserved time. Keeping this in mind, I agree to arrive on time (**please do NOT arrive early since there is no waiting room**), and I understand that my session will need to end on time even if I am late. I understand that if I need to extend my session beyond the originally agreed upon time, that I may choose to extend my session with the understanding that this decision will increase the cost of the session in proportion to the rate listed on the “Schedule a Session” tab of the www.payitforwardhypnosis.com website. I understand that I may request a longer session only if the timing does not impact another client’s scheduled session. I also understand that the maximum extension length is 30 minutes.

I understand that a 24-hour rescheduling notice is required at all times and even in the event of inclement weather. I understand that if I must reschedule due to an emergency, that I will notify Pay It Forward Hypnosis, LLC as soon as possible.
